

Precision Engineered Valve Insulation Solutions

Pre-Formed Valve Insulation with Matching Covers

SHAPES & SIZES:

- Connection Type: Scr, Soc, Butt Weld, Oval & Square Flanged Valves
- Pipe Type: IPS, CPS, Stainless Steel Tubing or Pipe, Ductile
- Valve Shapes: Both T & Y Shaped, Combinations
- Insulation Materials: Polyisocyanurate, Extruded Polystyrene, Cellular Glass, Phenolic, Mineral Wool

VALVE TYPES:

- Refrigeration and Process Control Valves
- Pressure Regulators, Solenoid Valves and Strainers
- Expansion, Hand, Angle, Shut-Off, Check and Stop Valves
- Multi-Port Valves

APPLICATIONS:

- Food, Beverage, Chemical, Pharmaceutical, Refining, Power Industries
- Industrial Refrigeration - Ammonia and Freon Refrigerant Lines
- Refrigerated Warehouses, Cold Storage Systems, Freezer Rooms
- Refrigerated Equipment, Transport Pipelines
- Commercial Chilled Water Systems
- Low and High Pressure Steam, Institutional Applications
- Valve Manufacturers: Danfoss, Hansen, Henry, Herl, Refrigeration Specialties - Parker-Hannifin and Many Others

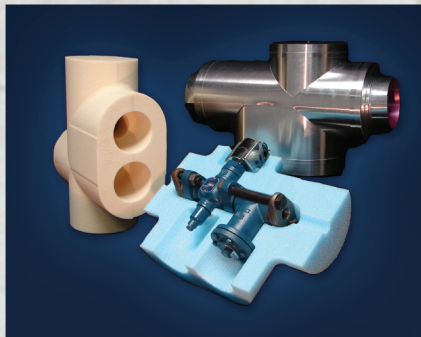

ADVANTAGES:

- Extol Precision Fabrication and Exact Tolerances Offers Custom Fit for the Most Complex Valves and Valve Combinations
- Extol Valve Systems Reduce Excessive Heat Gains/Heat Losses and Provides Energy Efficiency to Refrigerant and Process Piping Systems
- Low Temperature Specialists; Extol Cellular Insulations Reduce Moisture Ingress to Insulation and Offers Consistent Insulating Value in Low Temperature Applications
- Extol Completes Your Insulation System – Pipe Covering, Fittings and Vessel/Tank Sidewall and Head Insulation in Single or Multiple Layers
- Extol Specialty Matching Valve Covers of Aluminum, Stainless Steel, PVC, or FibaClad™
- Accessories to Complete All Installations – Jacketing or Cladding and Banding Cut to Size or in Rolls, Plus Coatings, Adhesives, Sealants, Hand Tools, Tape and Other Supplies
- Short Lead Times and On-Time Delivery
- Knowledgeable Sales Staff

Extol Proven Products

EXTOL the Leader in Quality and Innovative Insulation Systems for the Industrial Insulation Market

Since 1962 - A Tradition of Quality, Excellence and Dependability

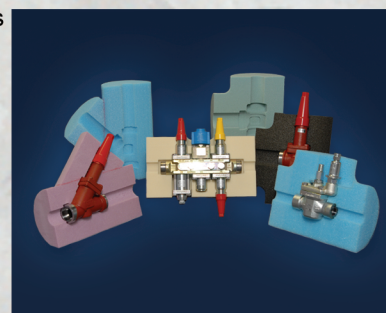

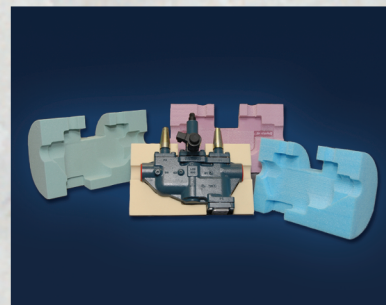

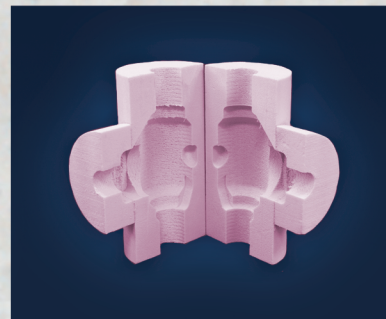

Complete Insulation Systems

Specify "As Fabricated by Extol of Ohio"

Fabrication

Each Product Conforms to Exacting Tolerances of ASTM C450 & C585
