

OF OHIO INC.
THE LEADER IN FABRICATED INSULATION SYSTEMS

1-800-486-9865

SHAPING THE
INDUSTRIAL
INSULATION
MARKET
FOR OVER
30 YEARS

We Are Hiring!

Extol of Ohio Inc., a national leader providing mechanical pipe insulation, fabricates rigid foam pipe insulation utilizing mills, hot wire, pipe saws, band saws and routers. This fast-paced environment seeks responsible, detail-oriented individuals for FULL-TIME positions in various departments of our manufacturing facility. We have immediate openings for Saw or Router Operators to join our fabricating team on First or Second Shift. In addition to Operators, we often have positions available that include on-the-job training for the right person. [Please contact us!](#)

Saw Operator Job Summary

Applicant must be able to read a tape measure and perform basic math to set stops and guides for the specified length of each job. While you operate the machine and produce parts, it is important that your attention to detail enables you to determine defects or issues. Applicants for this position should have one to three years of previous experience.

Saw Operator Duties and Responsibilities

- Follow all operating and safety procedures - safety is most important
- Operate saw, verify dimensions of material before and throughout the cutting process, adjust machine stops, guides, feeds and speeds as necessary to conform to specifications and given tolerances throughout the cutting process.
- Transfer and load material onto machine and stacking of cut pieces and cores
- Remove and segregate scrap according to standard procedures
- Product packaging
- Attention to detail; inspect pieces for proper size, quality, defects or issues
- Perform simple math; add, multiply and divide
- Ability to read a tape measure down to the 16ths
- Wear PPE as required and keep work area in clean condition
- Good attendance and punctuality is required
- Overtime is expected

Saw Operator Requirements and Qualifications

- High school diploma or GED certificate
- 1 year industrial experience
- 1 year band type saw or similar experience (1-3 years preferred)
- Basic math skills
- Ability to stand for entire shift
- Collaborate in a team environment
- Follow direction and ready to learn
- We maintain a drug-free workplace and must have ability to pass pre-employment drug testing

We are proud to be an Equal Opportunity employer; Veterans are encouraged to apply.

Other Helpful Experience

- Band saw, router, metal fabrication, CNC, mill, lathe, forging, casting, maintenance, machine operator, material handling, measurements, hand tools, construction, carpentry, grinding, sanding, trimming, forklift, farm work, etc.
