Join a growing team at Extol of Ohio, a leader in industrial insulation fabrication for 40+ years. We are looking for reliable, safety-minded team members to support our production operations.

Support our manufacturing team by performing essential tasks that keep production running smoothly, including operating machinery, handling materials, loading/unloading trucks, assembling products, wrapping materials, packaging finished products, and maintaining a clean, organized workspace.

- Assist all aspects of production process as assigned.
- Load, unload, and move materials or products using pallet jacks, hoists, or other equipment.
- Assemble, package, or inspect parts to meet production and quality standards.
- Follow standard operating procedures and safety guidelines at all times.
- Maintain a clean and organized work area, including tools and equipment.
- Report any equipment malfunctions, safety hazards, or quality concerns to the supervisor immediately.
- Assist with setup and changeovers on production lines as needed.
- Meet daily production goals and work as part of a team to achieve department objectives.
- Support continuous improvement initiatives and comply with all company policies.
