

## Production Saw Operator

1st shift 8:00am to 4:30pm

2nd shift 4:30pm to 1:00am

\$18 - \$22 per hour

Norwalk, Ohio

Join a growing team at Extol of Ohio, a leader in industrial insulation fabrication for 40+ years. We are looking for reliable, safety-minded team members to support our production operations.

Perform all standard equipment operations in your designated area. The operator will use manual and computerized saws and machinery to safely cut/route and assemble materials based on customer specifications while adhering to safe practices and quality standards.

- **Equipment Set up and Operation:** Sets up, programs/adjusts and operates equipment in assigned area
- **Maintenance:** Ensures the saw is properly maintained, replace worn components when applicable or make maintenance request when repair demands
- **Measuring:** Measuring to ensure accuracy to cut to specifications
- **Inspecting:** Examining completed workpieces for defects, and sorting defective pieces
- **Recording:** Keeping accurate records of raw material, production rates and material use
- **Packaging:** Helping pack and transport finished pieces properly to avoid product damage
- **Department Maintenance:** Maintain a clean, organized work area free from safety risks
- **Following safety procedures:** Putting safety first and being always on the lookout for hazardous and unsafe conditions

### **Extol of Ohio Benefits Include:**

Medical, Dental, Vision, Life Insurance, 401K Match, Vacation and Personal Time
